Hi Council,

Hope you are well.

I just wanted to check in and see if you are happy with your website right now or if there are things you'd like to change.

Do you have any upgrades that you've been thinking about making, or possibly a redesign/rebuild?

I have created some pretty amazing sites.

I can send you more details on the action/portfolio/past work details/price list.

Thanks

Jayden,

Web Development Manager
