FYI,

It's my FIRST series of ethics complaint(s) to the bar association against the Missoula CITY attorneys office.

You guys might wanna keep these on deck at the city attorneys office based on the complete lack of professionalism and standards...

Figured I'd just start simmering those superficial complaints (Jesse Steven's brady violations and 3-4 new individual MPD POST complaints related to that incident)...

maybe cook a 'discrimination suit' pie for dessert (Sandra j Keenan/The secret phone call from Jim's office and MPD traffic investigators)... maybe through in some sprinkles (MPD toy gun incident)...

After that I'll invite some guest chefs in to cook a little.

My friend that was woken up at gunpoint by 5-6 MPD on the 6 bus last year after faking asleep on it has a very pungent and inspiring dish that I know voters will love...

All just depends on my mood... You all are certainly inspiring a lot of QUALITY cooking though!

Regards,
