---

Good afternoon,

Following the removal of the dam on Rattlesnake Creek last year, the City of Missoula and its public and private partners are ready to discuss the future of the City-owned dams in the Rattlesnake Wilderness Area. To kick off this next step, the City's Public Works & Mobility and Parks & Recreation departments are hosting an informational public forum presentation via webinar on Wednesday, April 7, 2021, from 6 to 7 p.m. Also presenting are representatives from Trout Unlimited, the U.S Forest Service, and Montana Fish, Wildlife and Parks.

Please see the attached news advisory for details. Further information about the presentation and specifics on how to attend the webinar are provided on the City's Engage Missoula site at https://www.engagemissoula.com/rattlesnake-wilderness-dams.

Logan McInnis, Engineering Manager for the Public Works & Mobility Engineering Section, can be reached for interviews at 406-552-6766 or McInnisL@ci.missoula.mt.us.

Best regards,

Lori Hart | she/her/hers| Communications Specialist
Department of Public Works & Mobility
(406) 552-6354 (office) | (406) 830-6077 (cell) | hartl@ci.missoula.mt.us

Promoting a safe, healthy Missoula through the development of transportation and mobility networks and the efficient delivery of high-quality public infrastructure, utilities, and services.
