Your police officer Ethan Smith relieved me illegally of my rental property without renumerating me in anyway shape or form I was not the victim of a lawsuit as he believed so when he took my property he took it illegally you know this again you've been told this since he did it in 2015 I want payment for the property that mayor and his friends took from us he didn't add your behest

$250,000 will make it right if I have to go to federal court it's gonna be a hell of a lot more

By the way this is to you Mayor you can't simultaneously address the housing crisis when you personally profit from it

I'm a detailed oriented person I saw all the parking spaces you guys removed from downtown

He won't even face me or talk to me when you see me at City Hall

If you had any care or concern that people are accusing you of stealing you would show your income tax return

All the tax income and funding you're giving away all the redevelopment agency money you're giving away I want what's owed me not to give away what you owe me I have proof that Ethan Smith acted as a lawyer which is not allowed to do and even Garin Wade said that that letter does not stand up the test of what he sees and it needs to be decided by a judge well I certainly am not going to go infront Townsend your friend

The highest paid mayor of the highest paid city Finance director and the highest paid bailiff in the city court in the state of Montana

This needs to be made right don't make me Sue to get it

Mayor and good you're taking money and profiting all the while your crooked smile hides the lies that you live behind time to stop being a mayor I think you've accumulated enough money to retire on you in the year crooked city attorney

So stop hiding and own what your officer did.....

Make it right when you got $25,000 for a dog statue you got $250,000 for stealing from me so give it up

I want you to know that people outside the state of Montana are looking heavily and what took place in the misconduct by your officers that's going unpunished and being done in secret

What kind of mayor won’t talk to the citizens all the kind that knows he screwed them over

got a memory like an elephant he should remember how you disliked me when we were kids

So sad as an adult you can’t own up pull up your big boy britches and do the right thing

Have your crack legal staff write me a letter explaining how it was legal to take a rental income that’s not a request that’s an order
