Hey Tesla, I'm really sorry to hear about this. Emily Armstrong is attached to this email because she works to help Missoulians find a safe place to stay and a path back to long-term housing.

Please reach back to Emily Armstrong or me to help find somewhere to stay as soon as possible. There is options available for tonight. Emily's phone number is 406-552-6393.

Stay Strong,

Daniel Carlino
City Councilman Ward 3

Subject: My dismissal from the Authorized Camp

Dear city council memebers It's very important I get in touch with anyone who can assist as soon as possible seeing as I was woken up very early yesterday morning lied to about myself accused of a baseless lie that I promise to you on everything I hold dear they could literally never in a billion decades prove what they kicked me out of the authorized camp for...I was doing so well and almost ready to obtain part time employment I was only hoping for a sliver of stability and hope and maybe to work forward out of my trauma and being stigmatized and try to heal and somehow I did everything right and still got bulldozed over. Please help me to restore my belief in the truth matterinc. Because if not it means that the security kicked me out and told me I had less then a hr to situate over a literal bold faced lie or assumption. I SWEAR IT TO YOU. THAT I AM INNOCENT OF THEIR CHILDISH UNFOUNDED LIE. THEY CANNOT PROVE A LIE. PLEASE . HELP. ME. I am losing whatever left of my hope and faith and ability to stay strong... hoping the truth speaks for itself your fellow Missoulian tesla.
