Subject:	Hiring Six Pony Hitch concerning racism in Missoula
Date:	Tuesday, June 30, 2020 2:10:26 PM

Please listen to the black, indiginous and people of color living in Missoula when they tell you about their experiences with racism and what you need to do to fix it.

Frankly it's insulting to pay a team of white people to "investigate" racism when you can literally just listen to black and indiginous community leaders.

Thank you,

Tucker Day
