Action Item: none

Update on Current projects

Deer Creek Property – East Missoula

Staff went on field trip with representative of the company who wants the property to develop the site into a solar farm. The zoning request is being reviewed by the County. Staff walked the site to determine the best possible trail potential. Erickson showed the committee three trail options with Option A as preferred. The committee discussed the trail potential and conservation values of the property.

The meeting adjourned at 4:45 for the OSAC holiday gathering.
