Hi all,

Even in Kentucky they're doing something!

Where the action/accountability/transparency with our policing blunders?

Maybe our community will have to cause an uproar that will be hard to discount/sign off... non-violent of course.

Kentucky grand jury indicts 1 of 3 officers in fatal Breonna Taylor police shooting
Kentucky grand jury has indicted former Louisville police officer Brett Hankison on charges of wanton endangerment in the shooting of Breonna Taylor.
