

MISSOULA PUBLIC ART COMMITTEE MINUTES
Parking Meter Art Subcommittee
December 13, 2016 – 9:00 AM
Break Espresso
432 N Higgins Ave
Missoula, MT 59802

Members Present: Kia Liszak

Others Present: Brianna McLean (Arts Missoula)

1. Called to order at 9:02am.

2. No public comment

2. Will Greenway and Linda McCarthy from the MDA will be coming to the PAC meeting on December 20th, so a brief, informal proposal was written based on the previous subcommittee meeting on November 17th. This will still be up for discussion with the entire committee.

Missoula nonprofits will pay fee to own completed parking meter. An estimate of \$600 - \$300 for artist, \$300 to install/go to PAC/MDA. Meters will either be located at the nonprofit, or in groupings in one or several locations. There is the potential to charge nonprofit enough to give MDA and PAC meter(s) of their own. Nonprofits would be in charge of collecting money from meters, and would have their own key. The PAC would take charge of the art call, while MDA would handle working with the city and figuring out logistics of where the meters would go, how they would be installed, etc.

3. **Questions to consider:** Where would we put them (private vs. public)? How many would we put in?

4. Meeting adjourned at 9:30am.

The City makes reasonable accommodations for any known disability that may interfere with a person's ability to participate in this meeting.
