Subject:	Support for the Mount Dean Stone Corridor proposal
Date:	Sunday, October 25, 2020 4:23:07 PM

Dear Counsel Members,

As a resident of the Farviews area of Missoula,I am contacting you to support the The Mount Dean Stone Corridor proposal. My family and I are outdoor enthusiasts and are very proud of all the Missoula has to offer us, along the lines of trail recreation, specifically for bicycles. The South Hills Spur trail development has been a phenomenal addition for us on the south side of town, since few multi use trails exist at present. The Mount Dean Stone Corridor trail will be the next awesome addition to this and the continued efforts of Five Valleys Land Trust and MTB Missoula to expand this already exceptional trail system!

We support all efforts in moving this project forward!

Respectfully, Joe Meng
