Dear Sir or Madam,

This is Joy from XHW of China ShenZhen.

We are high precision rubber & silicone mold manufacturer, we have 17 sets CNC, the high precision is +/-0.01 mm, our molds export to France/USA/Malaysia/Thailand/Canada etc. We can make compression mold/transfer mold/injection mold, the main material is P20/S316/718H/NAK80/#50 steel. We have 20 years experience in this field.

I am sales manager and mechanical engineer also, hope you can give me chance on it.

If you have demands in this field, please send me engineer drawings in 2D and 3D format and quantity, so we can quote for you first.

Thanks and best regards

Joy Zhong
