Hi all,

I wonder what they're saying in the private groups that Ol' 'iron cross ranch' belongs to...

Man, that "colorfully" named wedding venue just hits a little different now doesn't it. I mean now that's there's talk of national guard at all 50 state capitols on Inauguration Day because of the white supremacy/hate groups organizing online...

Now that Capitol police officials are being fired/investigated for colluding with "protesters" at dc Capitol building...

You should have seen how many MPD Slowed down and thumbs up'd the coordinated Jan 6 2020 trump protest at the Missoula court house.

Oh well, I mean we shouldn't even expect HR to google search anyone these days ♂.

Iron cross ranch, whats weird about that...
