RO WHOM IT MAY CONCERN:

Everyone please note that with respect to the attached citizen complaint to federal government submitted by Dennis D. Gordon, the United States Department of Labor January 13, 2021 letter instructs that pursuant to two separate federal regulations, you and the City of Missoula are required to retain all records pertinent to the complaint about the City of Missoula approving funding for the LEARN Research Team in reference to Black, Indigenous, and People of Color which allegedly discriminated against him based on his race (white).

Please retain all records pertinent to this complaint. The city and you are also required to ensure that there is no retaliation against Dennis D. Gordon because of his complaint to the federal government.

I believe that Dennis D. Gordon is the same person who has communicated many times with the city in recent months pursuant to the email name "oddpilot".

Thanks you.
