Matts:

Your ongoing propensity to attempt to create your own perceived alternative self-serving facts,, does not make your erroneous assertions true facts.

Subject: Jim Nugent's email responses prior to 2/2/21 RE : Sandra Keenan's municipal court processed citation

FYI,

Is Jim feeling alright... any reason he sent me two scolding hot emails about how his office didn't touch this citation and then a third explaining that hey they actually did TINKeR with Sandra' citations (plural)

I feel like I'm dealing with a dementia patient not a city attorney...

Is this what you would classify as accepted professional conduct...

If Jim was a private attorney he would have been fired LAST YEAR.

This is completely embarrassing for the entire city...

Please fire Jim Nugent and I'll consider not suing the pant off the city...

The city attorney's office had no role in the City of Missoula's processing of Sandra Keenan at any point from the issuance of the traffic citation until her forfeiture of bond.

referred you to our office. The person must not have fully understood what every part of the factual processing of Sandra Keenan's her traffic citation. The city attorney's office did not have any involvement in the processing of this citation. Your ranting does not change the facts in any way.

Further, no one at the City of Missoula has a feud with you. City staffs have spent an extraordinary amount of city staffs times attempting to accommodate and process each of your inquiries to the extent that you were legally entitled to receive the information you requested.

The city attorney's office had no role in issuing or processing Sandra Keenan's traffic citation. I am sorry that you are not able to understand that; but your unfounded accusations and criticism do not change the actual real facts.

Jim:

I have received your response.

I was referred to you office multiple times during this processing of this citation. including today by the municipal court staff regarding the citation and it's lack of documentation.

Maybe your time would be better spent explaining your views to them.

In response to your telephone message from this morning pertaining to your incident with a motor vehicle striking you and Sandra Keenan's traffic citation processed in municipal court; once again you are absolutely wrong with respect to your attempted criticism of city operations as well as our city attorney office..

As was explained to you last year, the city attorney's office generally only becomes involved with any citation filed in City of Missoula Municipal Court if the cited person/Defendant pleads not guilty and the municipal court forwards notice to our office that a person has plead not guilty plea to their citation(s).

With respect to Sandra Keenan's traffic citation, she did not plead not guilty. Therefore our office was never involved in the City of Missoula's processing of Sandra Kenan's traffic citation. I am informed that Sandra Keenan forfeited bond on January 15, 2021. Therefore Sandra Keenan's traffic citation was never processed in any way by our office.
