Subject: Local-option marijuana tax information

Hello,

Here are the responses to the questions I could not answer definitively in Administration and Finance today.

- House Bill 701 specifies that the local-option marijuana excise tax is on the retail value of marijuana and marijuana products sold at an adult-use dispensary or a medical marijuana dispensary. That language is also included in the resolution under consideration by the Missoula County Commissioners.
- There is no mandatory expiration or sunset date for the tax.

Sincerely,
