Subject: Zoning changes

I'd write Peter but don't know his email.

The first sentence regarding Missoula zoning is a flat out lie: " Zoning for the most part hasn't changed since the 1970's in Missoula County, so"

Proposes Zoning Update on Housing, Ag and Water Quality | https://newstalkkgvo.com/county-proposes-zoning-update-on-housing-ag-and-water-quality/?utm_source=tsmclip&utm_medium=referral

The City Council, to avoid requirements fir giving Residents notice, or having required resident votes, called the blatant changes that many people came to council meetings to fight, insignificant “text changes”,

so that
they
could
just
vote
on
them
themselves.
One
of
many
frauds,
by the
City,
including
the
Cities
Growth
Plan
map I
loaned
to
John,
that
was
taped
in your
wall in
your
KGVO
Studio
for
quite
some
time.
Prominently
displayed
on live
Facebook
broadcasts.
