---

Dear news professionals,

The City has made great progress in our efforts to fund the purchase of the Flynn-Lowney Ditch through grants, donations, and in-kind contributions from both public and private partners, but we are still working to raise the remaining funds. Please see the attached press release for details.

For members of the media interested in walking a portion of the ditch, Trout Unlimited's Rob Roberts and City Engineer for Utilities Andy Schultz will be meeting on Tuesday, August 3, at 1 p.m. in the Imagine Nation Brewing parking lot to tour a portion of the ditch and answer questions.

In addition, the attached press release includes contact information for multiple project partners who are available for interviews.

Best regards,
