Hello Councilmembers,

We are excited to share with you that the webpage about the City's direct American Rescue Plan Act (ARPA) allocation is live here: https://www.ci.missoula.mt.us/2879/American-Rescue-Plan-Funding

This page provides an overview of what these ARPA funds are and how the City allocated the first half in FY22. I believe it also helps to illustrate the impact of these funds on the City's ability to make progress on housing and behavioral health goals this year.

Please share with constituents as they reach out with questions.

Thank you,
