Hi everyone,

I have decided to postpone the post-public hearing consideration of the 2900, 2920, and 2990 Expo Parkway rezone initially scheduled for 5/11. You may have noticed that we have 11 hours of committee meetings tentatively scheduled for this Wednesday—from 8:00 AM until 7:00 PM. We're scheduled to round out the day with LUP with two items. I'm going to postpone the Expo Parkway item 1 week in order to give staff more time to prepare to answer your specific questions about traffic, emergency services, and the proposed development agreement and so that we can approach this important item with the ability to allocate more time to it. I will endeavor to schedule a longer LUP meeting on Wednesday, 5/18.

LUP will still meet on 5/11 from 4:15 until 4:55 to hear the other agenda item.

I'll announce this tonight as well. Please let me know if you have any questions or concerns.

Thanks, and see you soon.
Jordan
