Location: Hal Fraser Conference Room

140 W. Pine St., Missoula, MT 59802

1. Welcome and Introductions

- Marley here as stand in for Jane and Karen
- Leah
- Pamela Frasier
- Anna Mora

2. Approved meeting notes from Jan 7

3. Car Break ins –

- Neighborhood watch meeting was good. Neighbors are giving out the stickers and signage. Problems on MRL land. Officers seem to be taking it seriously.
- Trail behind the new bridge is problematic.
- How can we be more can we be involved?

4. Pine Street - Pamela has been going to master plan meetings. Disturbed by target of pine Street Boulevard and getting rid of it. She has been in touch with Historic Preservation. Looking at a design overlay (like Brooks). Will look at neighborhoods doing a similar overlay for parks (slows traffic). What are you allowed to do on a boulevard? What could it be? We are not sure what will actually happen with it. Think about what we want it to be?

- Let's invite Pam from Downtown Missoula Partnership to come to speak to us about this concern.
- Pam will be providing more information for design review. And touch bases with Historic Preservation

5. Add additional members to Leadership Team – we will continue to recruit, especially as we have people coming and going. Encouraging university students involved. We need a stand in for Community Forum

6. Community Forum Report – Anna Moura

- Need an alternate
- Anna wants more of a focus on homelessness, even in communities not directly related. And it's relation to crime rates.

- Parking and Historic Preservation is on the list of important issues. Alder as potential for slant parking.
