**Pattee Creek Project- The Biehl's will not be intown to help so please help if you can. Email address on bottom of letter.**

Hi Randy and Colleen,

I hope you both are doing well. I wanted to give you two a little update regarding the Pattee Creek project. I officially got the planting plans this week and it's quite a lot of plants! So I will be recruiting as many volunteers as possible and I wanted to see if you two were interested. The tentative date(s) will be October 7-8. I'm not sure if I will need both days, it will depend on how many volunteers can for sure be there, and for how long. If you know anybody else in your Bancroft area that would like to join in, please let them know and you can either provide them with my contact information or I can reach out to them.

Thank you!
