March 1, 2023

5:30 PM

Microsoft Teams

---

1. Introductions and Roll Call: Terry Conner, Colleen Biehl, Jerry Dirnberger, Kelly Elam, Missoula Neighborhoods
2. Meeting minutes for February 1, 2023 were approved as posted.
3. Items to be discussed:
  - a. Spring Flooding – Marie Noland, Storm Water, talked about flooding because of drains being iced or covered by leaves. If you can safely remove the leaves with a rake so as not to slip on any snow or ice, that would be great. Pooling in the streets is occurring. The City will pick up leaves that were left all winter as the snow came so early and stayed. The leaves are no good, so they will try to get as much up and take them to the landfill.
  - b. Neighborhood Profile, no further discussion was held on the Neighborhood Profile.
  - c. Meeting venues: Different neighborhood places were discussed, and the following will be contacted:  
Fair Grounds – Kelly Elam, University/L&C Village – Terry Conner, Lewis & Clark School – Colleen Biehl/Kathleen Hanson.
4. Neighborhood Budget: \$727.63 Note: Funds must be spent by June 30, 2023 Suggestions were made on how to spend the balance of the budget. More Slow Down Like Your Kids Live Here signs, new trees/plants such as Junipers and wild roses.
5. Community Forum Report – Colleen Biehl reported that information was given on the redistricting of the City's wards, with Ward 4 keeping about the same numbers of residents, but the lines shifting somewhat. The Grants Committee is getting ready to meet to decide on the distribution of the money.

6. Missoula Neighborhoods Report – Kelly Elam reported that the Grants meeting information will be out soon. She talked about the April 29, Clean Up Day sponsored by the Missoula Neighborhoods, Parks and Rec and Republic Services. Each neighborhood needs to decide if they will participate.
7. No public comment on non-agenda items.
