1. Roll Call: Peter Lesica, Robert Schultz, Kathy Tonnessen, Gracie Sanford, Melissa Glueckert, Kalina Pritchard

Public: Nancy Seldin, Alvina Ave, Lower Rattlesnake

2. We approved the October 6, 2023 Minutes of the LRLT meeting, with the notation that the final item about having a meeting on November 8, 2023 should be removed from the minutes.

3. We approved the agenda for today's meeting, November 16, 2023.

4. We agreed that Gracie Sanford (and others) should go forward with a Grant Application by November 22, 2023 to provide a bench/picnic table at the entrance to the Mount Jumbo Trail. Gracie will call Parks and Rec to see if this works for them and if they can assist with the project. Peter Lesica suggested contacting the person who wrote the previous grant applications.

5. We discussed plans for the November 28, 2023 General meeting to be held at the Missoula Public Library at 5:30pm. The "yellow" postcards should be in mailboxes by the end of the week. He has already invited Jennifer Savage, Heidi West and the new rep, Eric Melson. Kalina will let Andrea Davis, the new mayor, know about the meeting.

6. Peter will check with the library staff to see how speakers should bring their presentations. Gracie agreed to emcee the meeting. Kathy or Robert will circulate with the microphone during the Q&A.

7. Gracie will get 12 pizzas and will deploy the sandwich boards by Saturday, November 25, 2024.

8. Kalina and Melissa will bring sign-in sheets, and some handouts (Smart 911 and the announcement of the Emergency Preparedness meeting to be held in April 2024).

9. Nancy Seldin (from the Lower Rattlesnake neighborhood) wanted to know the status of the “Greenough Heights” development site – (the one that has had piles of dirt and a plethora of weeds for over a year). Kalina suggested that she call the City Zoning office to see if there are more permits pending.
