

Missoula Public Art Committee – Silver Park Sub-Committee meeting minutes for 5:30 to 7:00 12/09/13

Attendees: Ted Hughes, Kathi Olson, Doug Olson, Kia Lyszak, Taag Peterson

Agenda:

Art call funding

Sites for art calls

Art call region

Public Comment: none

Minutes:

Art Call budget discussion: Doug reported that Peter said we are to act as if we have the matching funds to move forward. So we are pursuing the call as if we have \$48,000 for the piece or pieces. It was also discussed that the Silver Park sub-committee will compile the call for the Silver Foundation's memorial piece and when the proposals come in Kerrie and any other representatives can join in on picking the pieces for the park.

Locations and specifics of individual art calls: Sub- committee discussed doing a single call with 2 options. Options #1 would be a call using relics and option #2 would be proposals for an original piece.

After some discussion, the sub-committee decided to report back to the full PAC to decide how to distribute the funds and divide the art calls. The sub-committee was not sure about how to act with the current motion the PAC committee approved. The motion was made when we had \$18,000 for the Silver Park art call. The funding has changed to \$48,000. The sub-committee isn't clear if we need to amend the original motion to change the funding to 2 calls, leave all funding for one call, or reduce or

keep the relic call at the original \$18,000. The committee did not decide on any direction and moved on to other agenda items.

The sub-committee unanimously decided to post the art calls to Montana artists first after some discussion on this topic.

Ted has been compiling a list of Montana Sculptors for the committee to have.

The decision made was to forward the 2 site locations to the whole committee. The first would be the large berm or mound to the left side as entering the parking lot. The second location is the mound with a bench on the left side of the boat landing.

The meeting adjourned at 7:00.

Doug Olson
