City of Missoula Development Services
435 Ryman
Missoula, MT 59802

Dear Board Member,

Attached is our Board of Adjustments Public Forum application to change the face plates on an existing sign located on the corner of Broadway and Madison in the First Security Bank parking lot.

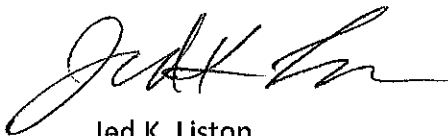

The face plates currently have branding and logos for the Doubletree Hotel located nearby. The new face plates will have University of Montana branding and a directional arrow helping guide travelers toward the campus over the bridge.

The existing face plates measure 11' x 11'. The proposed will measure the same.

Please see the designed mockup of the new face plates and refer to the existing measurements attached.

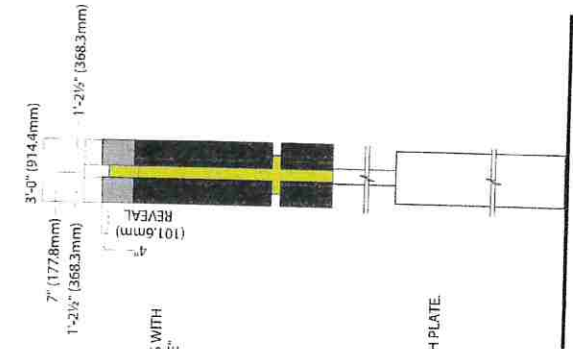

Thank you for reviewing this material and for allowing us to have this Public Forum.

Sincerely,

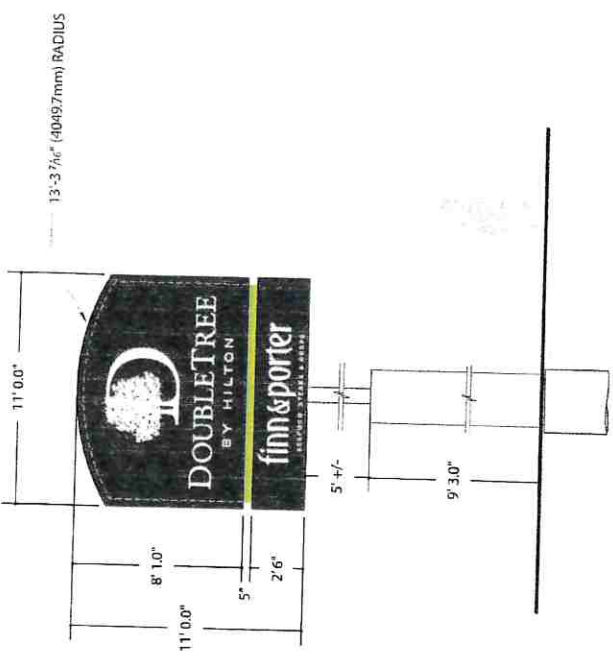

Jed K. Liston
Director of Alumni Relations
University of Montana
