

BASE Camp Missoula - School-Aged Child Care Program

★ Huge savings available through the Montana Coronavirus Relief Fund! ★

Welcome to BASE Camp Missoula where kids ages 5 and up will be outdoors and active with the EPIC adventures families have come to love with Parks and Recreation summer camps! The program includes art and science-based activities with partners like the Insectarium, Clay Studio Missoula and more.

To support hybrid school schedules, we'll facilitate time for homework and access to computers for online work. (Online access coming in October.) Snacks are provided. When the weather turns cold, we'll move the program indoors to the former public library building in Downtown Missoula.

Our highly trained staff, low participant-to-staff ratios and rigorous COVID-19 safety protocols will help ensure a fun, engaging experience for your child! [Sign up online today](#) or give us a call at 721-PARK (7275)!
