Indoor Preschool ZTD • ages 2 - 5

Keep your little one active and engaged!

Ride bikes inside an old library?

Only in Missoula and only with Zootown Derailleurs. Wondering what to do with your active preschool-age child in the dark, cold winter months after work and preschool? Drop in Wednesday evenings for indoor bike riding, bounce houses, obstacle courses, bubbles, and dance parties.

This is an informal ZTD practice with some organized games and riding at the beginning and then free riding and opportunities for other type of play at the end.

Kids can be on striders or pedal bikes.

Plenty of fun things for older/younger siblings to participate in during the class, but no one over 5 years will bike.
