

## Team Placement Policy

1. Teams will only be formed by Missoula Parks and Recreation and based on school or location of participant.
2. Teams will consist of up to 10 players.
3. Some schools have enough participants to make 2 or more teams. Placement on one team or the other from the same school/location is not guaranteed. Please make a request if you would like to be with a certain player and/or team within your respective school/location.
4. Every attempt will be made to make teams “even” according to grade/age/gender. Requests may not be honored for this reason.
5. When placing new players and/or previous players requesting a new/different team, the following order will be used to form teams:
  - a. School/Location
  - b. Grade/Age
  - c. Date & Time of registration
  - d. Request

---

## Special Requests

1. Parents and participants may request to play with a certain person(s) or team, however, Missoula Parks and Recreation cannot guarantee their placement.
2. Siblings and/or participants living in the same household will be placed on the same team.
3. Missoula Parks and Recreation makes every attempt to honor requests, however, please be aware that it is not always possible for a multitude of reasons.

---

## Grade/Age Policy (ALL PLAYERS SHOULD BE IN 6th-8th GRADE)
