Kathie said the Westside NC would be meeting soon, time TBA, and they wanted someone from our LT group to attend

We talked about ad copy regarding development and annexation issues as agenda items for the March meeting

Decided to have our three sign boards on display one week in advance of the General Meeting

Nathan volunteered to distribute flyers re meeting at the Ranch Club, aka Phantom Hills and in El Mar estates; he also volunteered to deal with notices as PSAs on radio and Cable TV stations

Nathan suggested a NC presence at the next marathon with a table passing out water between 6:30 and 8:00 [AM?]

Team decided to develop flyers re the general meeting (4-ups) to stick on doors in Pleasant View and Hellgate Meadows. Richard said he would help Kathie with this task.

Budget report: our account had \$767.60, minus approx \$240 for the two new signboards

Richard Chapman announced his resignation from the Leadership Team effective immediately – on the grounds that he publicly announced at the very beginning that he only wanted to serve in the limited role of helping with drafting the bylaws ... and suggested the group announce leadership team openings on the PVHOA website

LaNette Diaz said numerous things were coming up from her office, things like training sessions, educational sessions. It sounded like serious and useful work was coming out of her office and the LT was enthusiastic about all of it.

Adjourned the meeting at 8:20
