This was a short meeting because so many of the LT had other commitments.

The marathon will be July 13th. The aid station will be at the corner of Mullan and Kona. 10 people have volunteered to help, including Kathie & Randy.

Our next general neighborhood meeting will be the 3rd week of September. We discussed having the main subject be either Pleasantview Park or the Annexation Committee. We will finalize this at the August meeting.

When will we do the neighborhood picnic? The weekend before school starts, which should be toward the end of August but before Labor Day weekend. Tentatively will have the picnic at the Pleasantview Park. Maybe we could do some weed pulling or riding lawn mower races. It will be a potluck with ice cream desert provided. We need to get the notices out.

We need to get going on the Pleasantview Park thing. Does the park still belong to the developer or has it been turned over to the City? Kathie will see what she can find out.

The next meeting will be August 14th at 7:30 at Baileys unless something comes up.
