Absent - Dick Hexter

Randy went to the Parks & Recreation department meeting on park planning and development. Randy gave Kathie the handout from that meeting. She will scan and distribute (attached).

Nathan send a request for ideas for neighborhood activities out to the e-mail list. He got one response - a suggestion for a potluck and discussion. He will check it out with the Quakers. He will also distribute "Volunteer for Neighborhood Improvements" posters. He got no responses when he sent out the note for a kickball team. He will check to see if he can find out who owns the ball field by Kelley Island.

The spring general meeting will tentatively be March 18th. We will need to check schedules, including with Hellgate school.

We will tentatively plan to have the spring picnic the first week in May at the Pleasantview Park. Hopefully the City will own it by then. It was suggested that we ask Lori at the KOA whether we could borrow some picnic tables. We'll plan to supply hamburgers, vegieburgers, hot dogs, and desert (ice cream).

Here's how we plan to spend our budget:

\$200: picnic
\$400: park planning
\$200 and anything left over from the picnic: small projects

Jordan said he'd try to do a mock-up for updating the Captain John Mullan web site next week.

We will discuss by e-mail whether/when to have a December meeting.
