Joint Picnic/Pleasant View Yard Sale on Saturday May 16<sup>th</sup>: There will be a jumper and a tramp for the entertainment of the kids. Nathan will supply burgers and dogs - 2 boxes of each, at a cost of \$85.

Marathon: No new news

Pleasant View Park planning is still stalled.

Bus tour: There was a lot of discussion on what was "uniquely our neighborhood." Actually, we're the oldest neighborhood in Missoula - the town just went and moved on us and is just now moving back. Stuff that's unique includes the #10 & #11 bus routes (both of which pretty much only serve our neighborhood - we're probably the only neighborhood w/two exclusive routes), the diversity from the walkable Pleasant View & Hellgate Meadows neighborhoods to the commuter developments out Mullan including the Ranch Club, the airport (including the tanker and jumper bases and the Museums of Mountain Flying and Forest Service History), the Hellgate School District, etc. We'd like to have the bus go up Mullan, loop back at The Ranch Club or Council Grove State Park, come back through Hellgate and/or Pleasant View. Most of the Board is unavailable on June 20<sup>th</sup>. Kathie and Nathan are available. Maybe Randy.

Our next meeting will be back at Barnes & Noble's, since Bailey's is only going to be open until 8 pm this summer.
