3. Carrie Motions to Adjourn, Deke Seconds. Motion passes.

Submitted by: Deke Tidwell

July 20, 2016

To: The Neighborhood Council Community Forum

From: The Southgate Triangle Leadership Team, Hans Christiansen, Chair

RE: Proposed Resolution to the Missoula Redevelopment Agency and the Missoula City Council

We, the Southgate Triangle Leadership Team, are requesting that the Neighborhood Council Community Forum approve and adopt the following Resolution to submit to the Missoula Redevelopment Agency and the Missoula City Council, to-wit:

We, the Missoula Redevelopment Agency and/or the Missoula City Council, hereby resolve to fund the reconstruction of Agnes Avenue from Brooks Street east to Washburn Street if, following a traffic study, the traffic counts on this section of city roadway increase by 50% or more upon completion of the Southgate Mall remodel and traffic reconfiguration. This resolution will remain in effect for a reasonable period of time following the Southgate Mall reconstruction being completed until traffic counts stabilize to determine whether or not traffic volume on Agnes Avenue requires street reconstruction to be deemed necessary by the Missoula City Public Works Department and/or the Missoula City Council.

Signed by the following Southgate Triangle Leadership Team Members:

(TO BE PRESENTED IN FINAL DRAFT TO THE MISSOULA REDEVELOPMENT AGENCY AND THE MISSOULA CITY COUNCIL FOLLOWING APPROVAL BY THE MISSOULA COMMUNITY FORUM)
