RE: Speed Limit Increase on Russell Street Adjacent to the C.M. Russell School Grounds

Dear Missoula Public Works Department:

We, the Leadership Team members of the Southgate Triangle Neighborhood Council, would like to express our concerns regarding the speed limit increase on the Russell Street roadway adjacent to the C.M. Russell School due to the risk the same will impose on the neighborhood children who frequently play at this school during the after-school hours. We are opposed to any increase in the current speed limit and are requesting this increase be re-evaluated.

Our primary concern is that an increase in the traffic speed limit on this street poses a substantial risk to the children of this neighborhood. We would appreciate having the neighborhood's concerns addressed prior to any speed limit change.

Sincerely,

The Southgate Triangle Neighborhood Council Leadership Team

Jane Kelly, Neighborhood Coordinator
Karen Gasvoda, Program Assistant
