

River Road Neighborhood Council Leadership Team Meeting Minutes

Date: January 16, 2018

Time: 6:30 pm

Location: Home ReSource Community Room
1515 Wyoming St
Missoula, MT 59801

Present: Nick Shontz, Julie Merritt, Dustin, Melissa Neidigh, Kim Walterskirchen, Jane Kelly, Kevin O'Brien

1. The meeting minutes of [December 7, 2017](#) were approved.
2. Jane met with Invest Health. Milwaukee Trail from Curtis to Grove St. Lighting came up. Laval and Lisa B want to keep it moving. The Infrastructure Plan from 2003 was emailed to them so it stays on their radar.
3. Hawthorne School and Adjacent 3rd Street have been annexed into the City of Missoula; hopefully this will help to get some safe sidewalks near the school on Third St. This would also help with not having a break in service for first responders, same with plowing near the school as well. It would be nice to build up Hiberta more, near the railroad tracks where kids walk along. Julie and Michelle will continue to work with City staff to explore the possibilities. PTA is gathering signatures of parents for sidewalks along Third St.
4. YWCA - Julie shared that there is a plan to push through Johnson St from Third St.
