 - ii. Suggested Agenda:
 1. Q&A with current and new City Council Members: Jesse Ramos and Amber Sherrill.
 2. Update with Paul Klizer on deer issues and deer population study (assuming his NPF large grant application for deer population study is approved).
 3. Whitaker and Ninkpata Park Updates by PJ Delhomme
 4. Neighborhood Priorities
- b. PJ Delhomme Whitaker Park Update
PJ decided against applying for a NPF grant for a nature-based playground area at Whitaker Park because it had to be ADA-compliant and the cost for an ADA-compliant playground area would exceed the size of the NPF grant.
- c. PJ discussed the need for someone to keep Whitaker Park Master Plan in front of the Parks Department as his focus is Ninkpata Park Master Plan. Julie Aldegarie volunteered to be that person as she lives close to Whitaker Park.
- d. Mary Marry will be stepping down from the Leadership Team. Consider interim candidates for this vacancy at our next Leadership Team meeting.
- e. Cathy Nolan suggested Thank You notes for the City employees who spoke at the September 5, 2019 General Meeting. It was approved that Cathy

would buy a dozen or so Thank you Notes and request reimbursement. She would write notes thanking Jeff Darrah, Charmell Ownes and Bob Hayes and bring notes to next Leadership team meeting for Team to sign. Remainder of Thank you notes to be used by Leadership team in the future.

The meeting was adjourned at 6:45 pm.
