**Presentation:** Notice for PNC on Thursday May 26, 2009 at Franklin School

--Described PNC process

--Al Zepeda owns 2227 W. Central, Zoned R 12, 1 house on 3 lots, Wants to make it 2 lots with 1 house on each so each can be sold separately. Need 5400 Sq. Ft, These lots will be slightly smaller than zoning. Set backs, parking, etc. all meet requirements. Through alley is not paved and not required. Sidewalks are shown on the blueprints but may or may not be added at this time.

Sidewalk would advantageous for children walking to CS Porter School

### **Treasurer's report**

\$586 in the postage fund.

\$628 in general fund

### **Alderman Childers Update**

--Speed Study

--budget is coming

--zoning is happening tomorrow. Public hearing for zoning

--pools open, water spraying

--cell phones by public safety people is being considered

--handhelds are under consideration to be banned, not the blue tooth.

### **CS Porter School Speed Study**

--DOT did a school zone speed study. Average speed is 42 mph

--study recognized that local council can issue a 30 mph speed limit for the school zone, 24 hr per day or perhaps only during school hours 630 am to 930 pm with signs and flashing signs

--Request Public Services respond to the Speed Survey possibilities

--consider the wider the area for a speed limit

--Do something before school starts in the fall.

### **Update CDBG Study**

--5/20/09 Grant applications complete for 3 Fire hydrants. \$150K came into Missoula CDBG. That means 2 additional hydrants for F2F??  
--2 done based on CIP: Grant / Burlington, Margaret/ 9<sup>th</sup> are done  
--2 for approval on June 1 special city council meeting: Eaton/Sussex and Eaton/Strand  
--1 more hopefully: 7<sup>th</sup> and Johnson also being proposed  
Hopefully we get 5 total for the year.

CIP had 3 and hoped for 3 from stimulus package

### **Update Complete Street Committee**

--Need to get this going so we are ready for new grants that are available for Thanksgiving timeframe. Need to inventory the sidewalks and set priorities.  
--Where are we with the whole city's objective of sidewalks throughout the city  
--Need public involvement to have grants ready for Nov.

### **Information on Neighborhood Stabilization Funding**

--Office of Planning and Grants OPG  
--foreclosures, blighted properties, Vacant properties, pre-1976 mobile home  
--Jon went to information meeting and sent the pdf to Leadership Team, Guidelines are fairly liberal  
--Perhaps we can partner with developers, Human Resource Council,  
--Proceed carefully

### **New Park Committee**

--Research parcels for expanding parks  
--F2F is facing 2400 new units of infill  
--F2F has lowest park vs. land mass  
--We need to creatively find  
--June 16<sup>th</sup> at 7 pm to address park parcels

### **Durbin PNC, SW of Franklin Park**

--more than 1/2 done  
--we will be asked at PNC on Thursday at 530 to give up some of the trail  
**--Six individuals out of 10 present showed by a raise of hands that they supported keeping the trail as promised in 2007.**

### **Other Business**

Mapping neighborhood for disaster planning

Minnette Glaser has resigned from Leadership Team and we need to add new members
