9. Announcements

### **Zoom Tips**

1. If you are on a computer you can press your space bar to temporarily unmute yourself while you talk
2. Wearing headphones with a microphone in them helps with audio sound
3. If your video is on remember we can all see you and what you are doing.
4. If you turn on Gallery view you can see everyone at once
5. If someone is presenting you can pin the video so you see them take up the full screen.
6. If you join the meeting by cell phone here is how you mute yourself.
  - a. \*6 - Toggle mute/unmute
  - b. \*9 - Raise hand (this can help you get seen by the host if you would like to speak as we cannot see you)
