1. Welcome and introductions were made.

2. Minutes for September 10, 2020

Minutes were approved as submitted.

3. Final decision on draft letter.

Jeff discussed the amended verbiage in the draft letter. The current speed limit is too fast and there is more traffic causing it to become more dangerous for children to cross the streets between Rose Park and L&C neighborhoods. The proposed speed limit would be reduced permanently. There were questions and comments.

4. Final vote on draft letter.

Casey confirmed all Rose Park Leadership Team members agreed to add their names to the letter.

Jeff, Colleen, Tony, Casey, Julie and Tate all voted yes to the draft letter changes and to add all Lewis & Clark and Rose Park Leadership Team member names on the letter.

Terry will contact the members to meet in a park for them to sign the letter. After the letter is signed by all, it will be submitted to the City Council and the Mayor.
