PJ and Julie met with Donna Gaukler and two of her staff regarding Whitaker and Ninkpata Park. Donna was in favor of a phased approach to Ninkpata, with the total construction budget around \$750,000. We will need to convince Jesse Ramos and Amber Sherrill to support the project before it comes before council. They are still looking at creating a nature area and moving the building. The Parks Dept. is willing to help with getting bollards installed for public access points to various parks and advised us to seek out grant money for some of the work. Julie will reach out to Aaron Wilson with MPO to discuss the Southside Trails and whether or not they could be considered as sidewalks to be paved as part of the Long Range Transportation Plan.
