

Southgate Triangle Neighborhood Council Leadership Team Agenda

December 8, 2021
7:00 PM
City Life Community Room

1. Introductions and Roll Call – Bob Martin
2. Approve minutes for [October 13, 2021](#)
3. Items to be discussed
 - Direction of the Neighborhood – what are concerns and what can LT do to help rectify them
 - Possibility using TI from Cowboy Flats.
 - How to recruit new members to the LT
4. Community Forum Report and Neighborhood Report – Kelly Elam, written report.
 - The recruitment process to hire a new Neighborhood Specialist II is still in progress. There will be interviews next week and the goal is to have a new person on board in January.
 - Midtown Update:
The Midtown Association is planning to develop a Master Plan for the area between S. Higgins to 14th Street and generally between Bancroft and Reserve St. This would provide greater detailed discussion around planning along Brooks Street and help to provide insights on the needs of the neighborhoods on both sides of Brooks Street. This is early in the process since the Midtown Association is still fundraising for consultant services. The hope is to start the project next year, but we want to give you a heads up that it is coming as it would involve input from at least four neighborhood councils – Southgate Triangle, Franklin to the Fort, Rose Park and Lewis and Clark. We could invite the Midtown Association to a Community Forum in the new year to provide an update. You can also learn more about the project by going to the Missoula Midtown Association website (missoulamidtown.com) and click on Master Plan.
 - The neighborhood Improvement grant is in the process of being rewritten. There were some inconsistencies, and we are improving it so it will be easier for folks to apply. We are hopeful to have it ready by next week and posted on the website.

- Join the conversation! Visit www.EngageMissoula.com to learn about and comment on City projects and initiatives.
- The Community Forum will not meet in December but will continue on January 27, 2022.
