**Neighborhood Council Leadership Team Meeting**  
November 18, 2009 at 7:30 pm  
Barnes & Noble Coffee Shop

Meeting called to order at 7:30 pm

Present – Randy Johnson  
Kathie Snodgrass  
Nathan Howard  
Rod Austin

Absent - Nathan Reynolds  
Jordan Hager

The minutes from the October LT meeting were reviewed and approved.

Mullan Road Bike Path – there is no news on progress on the path. However, the board thinks it might be good to have Tim Else talk about this project at the March general meeting. Maybe the next route we should consider working on is a safe bike path from Mullan to Broadway, perhaps along Flynn.

New Developments – there are two new subdivisions coming soon on George Elmer.

Signs – the re-lettering of the three older meeting notification signs has been completed

Pleasant View Park – Kathie reported that it appeared until yesterday that she would be the Hellgate Meadows rep to the Pleasant View Park committee, but Ken Erickson sent her an e-mail expressing interest...she thinks. She will call and find out whether he really meant it or was kidding. The Board agreed that if Ken was serious, Kathie will be the Captain John Mullan rep. If he was not serious, Kathie will be the Hellgate Meadows rep and Randy will be the Captain John Mullan rep. The next step will probably be a decision by the full Community Forum on grant applications at the next meeting. The committee will need to contact the landscape architect and City Parks & Recreation people and get going.

March General Meeting – we will need to start planning the meeting in January. We may be able to do some of it via e-mail. Ideas for presentations besides the bike path include recycling in Missoula, Pleasant View Park, and of course reports from our City Council representatives.

There will be no December meeting unless pressing business arises.

The meeting adjourned about 8:30 pm.
