2. Adriane Beck spoke about OEM goal for an emergency planning in the Rattlesnake neighborhood.

  - B. What evacuation looks like.
  - C. OEM is looking at software options for evacuation and using AI models for prediction.

  - F. In late spring do table top conversations regarding how did the emergency alerts work and then get familiar with new model. Perhaps do this in mid-April; Terri will look at dates with Rattlesnake Elementary School.

  - H. OEM will set up meetings with a small group of 2-3 people from the Lower Rattlesnake and 2-3 from the Upper Rattlesnake to work on this.
3. Peter Lesica asked about the impact of increasing housing density in the Rattlesnake. Adriane said the models can look at scenarios with varying densities regarding evacuation. She also said if there are issues, law enforcement will be a big part of solving those issues.

Kathy Tonnessen commented that avalanche management needs to be looked at.
4. Dan Doyle said the next Transportation Committee meeting will be on October 10<sup>th</sup>, site to be determined. Jeani said she will attend the meeting. Dan also brought up concerns regarding the expansion of Syringa Bike Park that is under the domain of Parks and Recreation on lower Lincoln Hills Drive. Dan said the only way for bikes to access the park is via Lincoln Hills Drive which has relatively high speed traffic. He noted the only

parking area is across the street and there is not a marked pedestrian/bike crossing. Suggestions for making the crossing safer included putting in a raised crosswalk from the parking area to the bike park; putting in a crossing light with push button activation; putting up signage stating no parking in the area. Finally, Dan mentioned that there is not a toilet facility at the Park although this was indicated in Phase 1 of the Bike Park plan.

5. The next portion of the meeting was for general business.
  - A. Andrea made a motion to accept the minutes from the June 27<sup>th</sup> and the August 23<sup>rd</sup> meetings; Jeani seconded and the minutes were unanimously approved.
  - B. Kalina will pay Big Dipper for the ice cream.
  - C. There was discussion regarding the August Ice Cream Social.
