Agenda Topics:

Our August meeting minutes will need to be approved at our next meeting. They will be posted along with the September minutes (separate document).

- **Neighborhood Signs**

Joyce shared that one of the little big men was placed on the NS and believe the new sign did a good job, until it was stolen. Joyce is working on recovering the little big man.

Update: The sign was recovered and is back in our possession on the NS.

Still need to pick up and place the other sign on the NS.

The “Drive like your Kids Live Here were distributed to Joyce a couple others. Derek has more if anyone needs these.

- **Fall Event Planning**

There was some discussion about the purpose and dates.

In the end we decided to plan the annual planning event for **November 15th**.

The proposed location is Lowell School to hopefully host an indoor and outdoor meeting where we can host speakers, events, and have food and ice cream available. Roe will ask about availability for at Lowell for this event.

Additional planning will take place at our **next meeting which will Wednesday October 11th** at 6:00. Derek will confirm with Burns Street Community Center to confirm use of this meeting space.

Gretchen will reach out to Brittany and NMCDC to invite to present at our annual event.

Roe will reach out to Sue at MHA to see if they can provide an update and invite our new neighbors from the Villagio development project.
