### Rattlesnake Transportation Committee – Mission and Purpose

The Rattlesnake Transportation Committee is a subcommittee of the Upper and Lower Rattlesnake Neighborhood Councils. Members of the committee are residents of the neighborhood who volunteer their time to gather monthly (September – June) in public meetings to promote safe, efficient, equitable and accessible transportation options for residents and visitors of the Rattlesnake Valley. Everyone is welcome to attend the meetings and participate to help discuss issues and identify potential solutions to be considered by the Missoula City and County staff.

The committee can be contacted at: [rattlesnaketransportationplan@gmail.com](mailto:rattlesnaketransportationplan@gmail.com)

### Rattlesnake Transportation Plan

In 2019 the committee began work to update the 2011 Rattlesnake Valley Transportation Summit Study. Working alongside the Missoula City Office of

Neighborhoods, a process was put in place to gather input and feedback from residents of the adjoining upper and lower rattlesnake neighborhoods and to identify priority issues and potential solutions.

In November of 2021 the Rattlesnake Transportation Plan Update was completed and it can be found here: <https://rattlesnaketransportation.org/>
