Final design of door hangers for Spring General Meeting and number needed discussed and approved. Will order 3,000 hangers with a 1 day printing turnaround and 5-7 day shipping for \$436.00. Files will be sent to Kalina who will place the order.

Additional flyers to be put up around the Neighborhood will be obtained by the City print shop. Sandwich boards will also be used on major streets. Clint is still in contact with Mountain Line regarding in-bus advertisement for routes in the Neighborhood. The Franklin School PTA had offered to send flyers home with students when they leave for Spring Break. Kalina will reach out to them to see if this is still on offer and if the school can print the handouts.

Distribution of door hangers was discussed. Sign up sheet with a link for volunteers to help with distribution will be sent out by Kalina via the Notify Me email list once the hangers have been received. They will be bundled with maps of the routes. Mapping the routes will be discussed further at our March Team Meeting. Jenny has been in contact with Bolt and Bruizers Bakery who offered a donation of coupons for coffees to be used as thank yous for our volunteers. Accepting these coupons was approved, and they will be added to door hanger bundles.
