  - a. Neighborhood Signs
    - i. The team discussed getting funding for two signs – one for South 39<sup>th</sup> and one for Moose Can Gully. Not sure whether to get grant funds or Neighborhood funds. Also looking at locations to place these signs. Possibly at Garland Park for the Moose Can Gully Sign. Two ideas for South 39<sup>th</sup> include: the powerstation, south edge of 39<sup>th</sup> or the Wapikiya Neighborhood. A discussion ensued about whether to do wood or metal. The team thought about doing a call for artists. Maybe work with MCPS to create the sign. Next meeting we will work to finalize the placements, get estimates and start a call for art.
