

PROCLAMATION

WHEREAS the City of Missoula is working toward waste reduction goals as guided by ZERO by FIFTY: Missoula's Path to Zero Waste in partnership with Home ReSource and others; and

WHEREAS, communities across the globe raise awareness for zero waste practices and policies on March 30th, International Zero Waste Day; and

WHEREAS, waste reduction is accessible to all people, and together, small actions to reduce, reuse, repair, and compost create economic opportunity and environmental benefit.
