

Rattlesnake Transportation Committee Meeting Minutes

March 12, 2024; 5:15pm

Missoula Public Library

February draft minutes:

-approved

public comment:

- there is a desire to expand mountain line bus service in the neighborhood
- the intersection of Cherry/Jackson could use better visibility, for safety
- there is neighborhood discussion about evacuation routes, especially for the case of fire or a chemical spill

safety on Lower Lincoln Hills:

- the committee is waiting to hear from officials and agencies about the neighborhood proposal to increase safety and accessibility

master trail planning process:

- the committee discussed needed trails, parks and open space in the neighborhood, and will continue to give input into the PROST process

next meeting:

- May 14th, 3:30-5pm, Blackfoot rm., public library
