Lower Rattlesnake Neighborhood Council Leadership Team Meeting Minutes

May 2, 2024; 4:30pm

Headwaters Dance Studio, 1042 Monroe st

1. Roll Call: Peter Lesica, Robert Schultz, Kathy Tonnessen, Marta Meengs, Gracie Sanford
Neighborhood Office: Melissa Glueckert and Kalina Pritchard
City Council: Jennifer Savage
2. We approved the March 19, 2024 LRLT meeting minutes.
3. Our leftover budget amount is \$300; will decide at the next meeting how to spend that.
4. Robert reported on the Community Forum meeting. Parks and Rec is asking folks to take an online survey about PROST . There was discussion about setting up pickleball courts at Gregory Park.
4. Discussion of the proposed parking regs; Kalina will ask someone from the parking commission to attend the next LRLT meeting to give an overview.
5. Robert and Peter talked about the history of getting “wayside horns” installed at both Madison Street and Taylor Street crossings. Discussion have gone on for ten years, and some funds have been allocated by Missoula Redevelopment Agency (\$192K). Apparently Eric Melson has discussed this issue with the Major; and Jennifer Savage will bring it up again with the Mayor, BNSF and the Missoula Public Works Department.
6. The Lower Rattlesnake is invited to update the City Council on May 13, 2024. We agreed that Robert will represent the LRLT at that meeting. Kalina will put together a “draft” of the talking points and circulate that to the LRLT.
7. Next Leadership Team meeting on June 13, 2024 at 4:30p at the Greenough Park shelter.
